

Billing Medical in your Dental Practice:

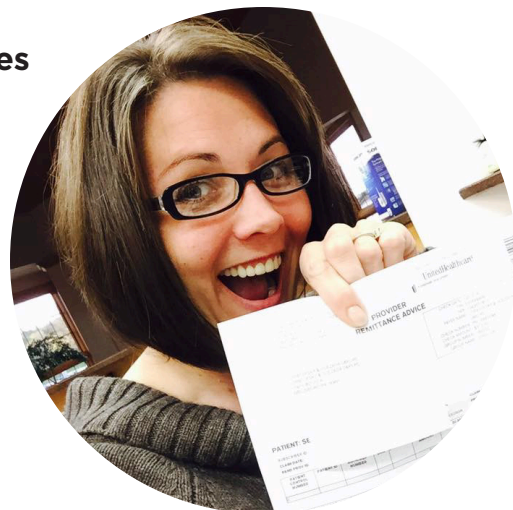

The “How To” for Transforming Dental Codes to Medical Codes

Our interactive course lets all participants have fun while learning. We teach to all learning styles through games, computer teaching, lecture and interactivity. All participants will understand how and why medical billing can be a profit center in the dental practice.

We take the frustration and errors out of your medical billing to help you see success!

“THANK YOU!!!!!! THANK YOU!!!!!! THANK YOU!!!!!!

What an eye opening experience! Thank you for sharing your infinite knowledge and talent with all of us. I am now FULLY AWARE, this is simply the beginning of this process. I look forward to moving through this process with your guidance and support!” - H.T., *Complete Health Dentistry of Cincinnati*

Course Objective

- To apprise participants with information on the changing landscape of today's dentistry.
- Why documentation will affect your finances and its implication to payment.
