

Hands on Dental to Medical Cross Code Billing

Christine Taxin

This meeting will be part lecture but more importantly, hands on learning. We will all do claims!

Friday, February 20, 2015
8:30 A.M. – 4:30 P.M.

Christine Taxin has lectured nationally for years on Dental to Medical Billing. She is a member of the NADP and an Adjunct Professor at the NYU College of Dentistry. "License to use ADA CDT codes granted to Christine Taxin. The use of the above statement enables the speaker and host association to hold a CDT course."

Course Objectives: Understand the difference between medical and dental billing, understand the authorization process and SOAP documentation, utilizing health histories and risk assessments to diagnose a patient, documenting and submitting medical necessity information, recognizing the four categories of billable procedures and learn how to prioritize and report medical diagnostic codes and treatment
